This event is to help the local host committee of **NCCAA** and **SOCOYPAA** provide a great DJ for the Santa Rosa NCCAA conference that will be coming to Santa Rosa the weekend of June 10-12, 2016.

This is also an opportunity to meet the Host Committee and volunteer for this great conference. You will also be able to pre-register for the conference which saves you \$5.

The

**Northern California Council of Alcoholics Anonymous** has been in existence since March 1947. There are three conferences a year that NCCAA holds in Northern California. Members put bids in to host an NCCAA conference in their city.

The purpose of the conference is to "carry the message of A.A." At these conferences you're able to hear speakers from *around the world* that you normally wouldn't hear. The conference provides newcomers to hear about all the services within Alcoholics Anonymous that maybe they wouldn't hear at their local home group. And most of all to meet new people from all over Northern California and meet new friends. We will be celebrating our 69<sup>th</sup> year in 2016 and welcome all of you to attend the conference.
