**Dear Northern California Council of Alcoholics Anonymous Group Delegate,**

**The 70th Annual Summer NCCAA Conference is almost here! Register now and we will see you in Sacramento June 9-11th. 2017!**

**Important: Saturday June 10th Meetings at conference.**

**8:00 AM** - The NCCAA Steering Committee Meeting at hotel banquet room.

**11:00 AM** - The NCCAA Open Group Delegate Business meeting in main hall.

Here is Information from Steering committee meeting for you to share at your groups business meeting.

- We need Delegate participation more than ever! Delegate participation in spreading the word about upcoming conferences and asking groups to send two delegates to attend and participate in NCCAA. We are brainstorming ideas from our Inventory such as the future of the conference structure, whether it should be reduced to twice a year instead of three times a year, conference fees; whether on a sliding scale based on the venue cost or straight rise in registration. We had many delegates sign up in Foster City and we hope that this momentum can continue.
- The continued success of AIAnon and Spanish Speaking Group participation becoming more inclusive and service oriented continued in the Foster City Spring conference We had AIAnon and Spanish Speaking speakers in the main hall for the first time and there were many successful panel meetings with representation from Area.
- We will have H&I workshop on Friday in Sacramento and a Grapevine workshop as well.
- Motion to discuss at Delegates meeting will be implementing a three tier registration plan: 1<sup>st</sup> tier at conference, 2<sup>nd</sup> tier before pre-registration closes and 3<sup>rd</sup> tier at conference. Raising at \$5 increments between each tier.
- The idea of having a Twitter account for NCCAA to share updates to the website will be discussed at Delegates meeting.

With the 70th Year Anniversary upon us, we hope to celebrate and build a solid future for the generations to come. This year will be the only year we will produce the NCCAA commemorative tokens, T-shirts and mugs to help foster the celebration; we hope that everyone will participate and support the conference in this endeavor.

**Enclosed are a couple flyers and you can always direct members to the website at <http://www.norcalaa.org>**
