“The success of the Northern California Council of Alcoholics Anonymous in fulfilling its primary purpose of ‘Carrying the Message’ will be in direct proportion to the enthusiasm and devotion of every AA member, Council Delegate, and County Chairperson in Northern California. The Council belongs to all of us and we should support the Council in all of its activities. In this manner we can again express our gratitude for that which we have received from the Fellowship of Alcoholics Anonymous.”

from the booklet NCCAA Purpose Structure Functions booklet.
