Functions of the Northern California Council of Alcoholics Anonymous

CONFERENCES

Conferences are held for one purpose:

TO CARRY THE MESSAGE.

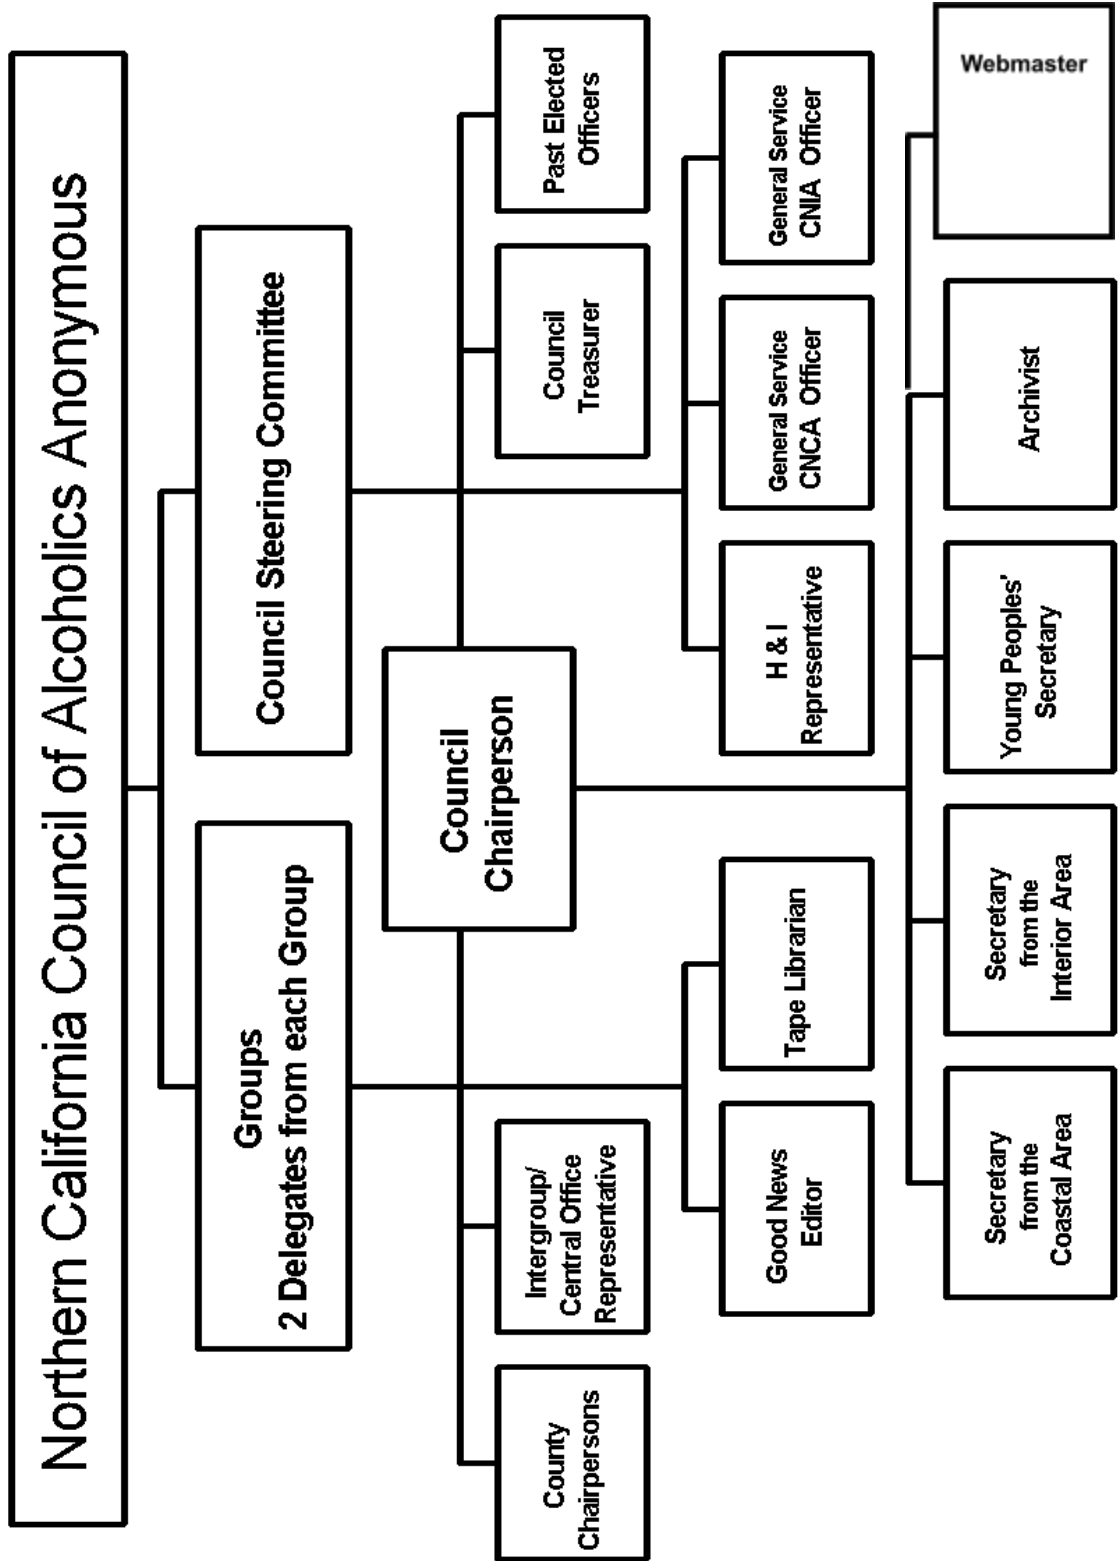

We believe that those who attend and participate in our Conferences have a more positive attitude toward their solution to their problem with alcoholism and are aided in acquiring the knowledge needed to arrest this devastating disease.

Some A.A.'s have a special knack of giving us a message in a way we can understand. Therefore, the speakers, chairperson and moderators at the Conference are carefully selected to meet this requirement. Through Conferences we are able to hear speakers that we would never hear otherwise; thus, we get a new perspective of our problem.

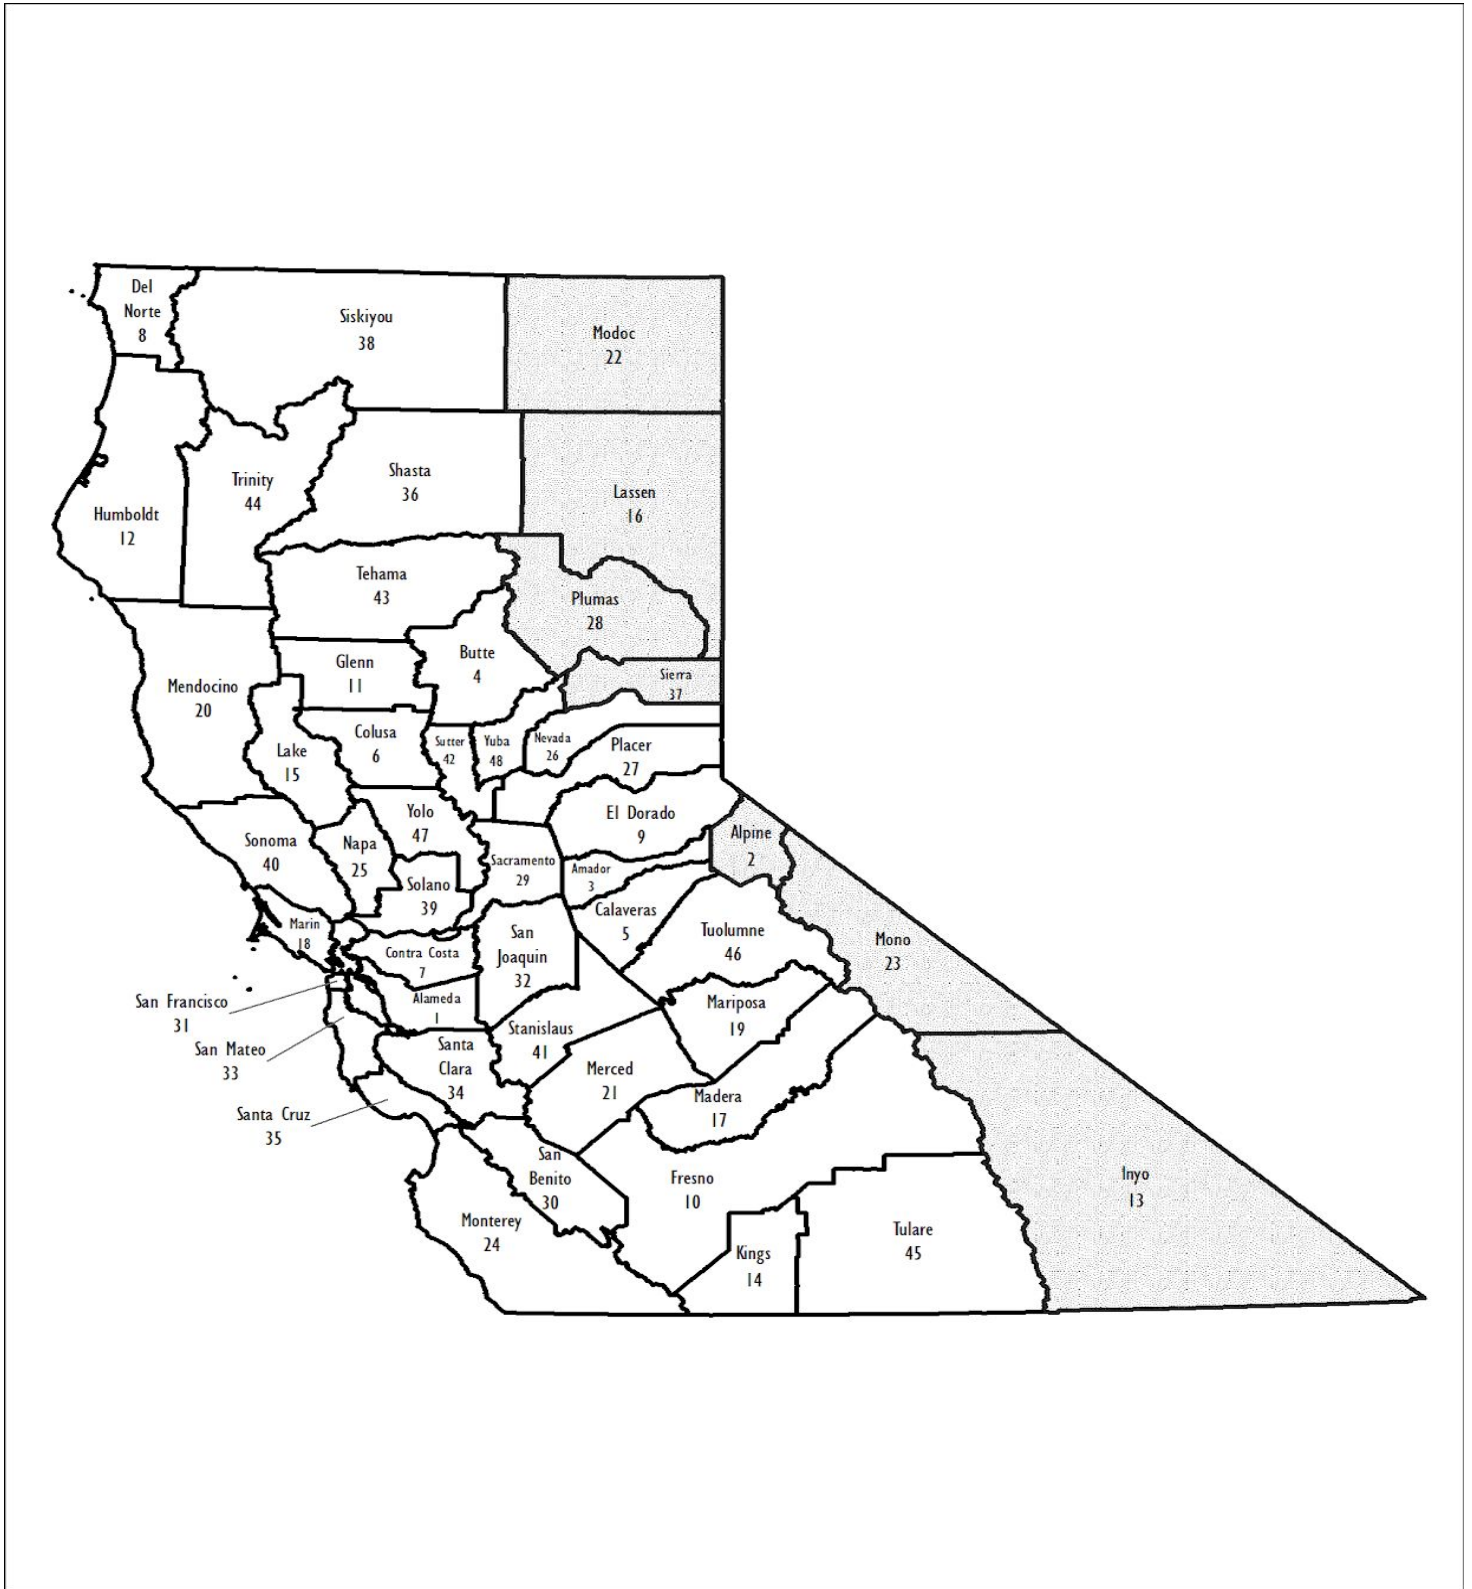

Conferences help us attain the "freedom from anxiety" which we did not have during our drinking careers. We learn how to gain a release from tension by learning to overcome the causes of tension. You can get the same results that we have. At Conferences we make new friends and get new ideas. As we apply these new ideas to ourselves as individuals, they infiltrate their way into our groups and a better group harmony develops. Finally, intergroup unity becomes a reality. The result is a greater attraction to AA and for those who still suffer. This may sound like a long way around the main point; for we surely come back to the individual because we are enabled to better "Carry the Message."

The workshops and AA meetings are designed for the individual - to give each member working tools in the effort to stay sober and live a contented life.

NORTHERN CALIFORNIA COUNCIL COUNTY CHAIRPERSON AND GROUP

DELEGATES

(Adopted at the August 2014 steering committee in Stockton CA)

(Voted in Rocklin CA June 2019 to change from three conferences to two conferences per year by the delegates. The General Service Delegate will give the annual report at the Fall conference)

The Northern California Council of Alcoholics Anonymous is a fellowship of all the groups in Northern California north of a line through the southern boundaries of Monterey, Kings, Tulare and Inyo Counties. Not a part of our current fellowship is seven counties that belong to the Nevada Service Area for geographic reasons: Alpine, Inyo, Lassen, Modoc, Mono, Plumas and Sierra Counties.

The Council is led by a Steering Committee comprised of the 41 county chairpersons, representatives from the Intergroup/Central Offices, a representative from the Hospitals and Institutions Committee and from CNIA and CNCA General Service Committees, Al-Anon Family Groups, Spanish liaison and the elected and appointed Officers of the Council. The *Good News* Editor, the Tape Librarian, the Archivist and all past chairperson and treasurers are also part of the Steering Committee. The Steering Committee decides on all housekeeping matters and shares with the group delegates at the Open Delegates' Meeting all items of importance that need to be voted upon such as future conference sites and the election of the Council Chairperson and the Council Treasurer.

A.A. Groups in Northern California are entitled to two NCCAA Delegate Representatives who may vote on matters brought to the NCCAA Delegate business meeting. The NCCAA Delegate registrar (Young Peoples Secretary) maintains a list of Group Delegates. If the listed Group Delegate cannot attend, another group member may register in their place as long as the group does not exceed two Delegates.

NCCAA Group Delegates terms are generally two years and ought to coincide with the rotation of the NCCAA Officers but each group is free to decide their own group Delegates rotation.

NCCAA holds two Conferences per year: Spring and Fall. Any city in Northern California may submit a bid, meeting the criteria set forth by NCCAA. If the bid meets the minimum Conference requirements, it is then forwarded to the Group Delegate meeting for approval. Instructions and forms for submitting a bid are available on the NCCAA website at ncc-aa.org or norcalaa.org.

NCCAA Conference business meeting are held on Saturday of the Conference. The Steering Committee meeting meets at 8AM Saturday morning. The Steering Committee consists of NCCAA Officers, County and Intergroup representatives. The meeting is open to anyone who wishes to attend, but only Steering Committee may vote. The Steering Committee addresses in-house matters and the Committee receives and discusses recommendations and motions presented for Conference changes and

reviews Conference bids. The Steering Committee only decides which motions or bids will be forwarded to the Delegates meeting for approval.

The Delegates meeting is held Saturday morning at 11am. The Delegates meeting is facilitated by the NCCAA Chairperson. The meeting agenda includes Steering Committee Officer Reports, old and new business items. A motion introduced at a Delegates Meeting will not be voted on until the following Conference to allow the Delegates to bring the motion to their groups for guidance.

What are the Benefits to being an NCCAA Delegate?

Being an NCCAA Group Delegate is an exciting opportunity to meet other members, listen to speakers from outside your local area, and to learn about the various service entities in Alcoholics Anonymous. This includes learning about the two General Service Areas, California Northern Coastal Area 06 (CNCA 06), and California Northern Interior Area 07 (CNIA 07) that was born from out of the NCCAA Conference. Each year a General Service Delegate and/or Alternate Delegate from one of the two areas give a report on the most recent General Service Conference at the Fall, or mid-year NCCAA Conference.

To summarize: The NCCAA Delegate position covers attending every Conference, distributing flyers to your group or local area, talking to your group about upcoming Conferences and voting on NCCAA business.

In recent years, county chairpersons have been encouraged to participate by the Council Chairperson because they showed an enthusiastic and committed interest in the welfare of NCCAA. In the counties that host conferences, sometimes the county chairperson is elected by the committee that has hosted the conference. This person is often the chairperson of the next conference to be hosted by the county. The county chairperson, along with the intergroup/central office representative, is the vital link between what goes on at the conference and the groups in his/her Home County. They attend the six Steering Committee Meetings and the two Open Delegates' Meetings held each year, participate by discussion and vote, and then carry all the information back to the groups in their county. Other representatives to the Steering Committee are selected by their respective committees.

Group Delegates should keep their County Chairperson and the Council Chairperson informed of any mailing address changes so that corrections may be made by the Council Recording Secretary. This keeps the NCCAA mailing list up to date and saves the Council the costs of returned mail.

Hospitals & Institutions Committee (H & I)

(Adopted at the H&I Area committee meeting June 2015, and voted on at the August 2015 steering committee in Stockton CA.)

This Committee accepts the responsibility of carrying the message of Alcoholics Anonymous to the alcoholic who is confined in hospitals and institutions. H&I is an independent Ninth Tradition service committee of A.A. which operates in full cooperation with NCCAA. The H & I Committee participates in the Conferences and donates the 7th Tradition contributions collected at its NCCAA Conference meetings to the Council to help with the Conference expenses.

General Service

The Council, through the Council Chairperson, shall work closely with the General Service Committees of the California Northern Coastal and Interior Areas, arranging for programming of meetings for General Service at each of the Conferences. General Service Committees donate the 7th Tradition contributions collected at their NCCAA Conference meetings to the Council to help defray the Conference expense incurred by the Council on behalf of General Service.

Al-Anon Participation

(A.A. Guidelines) *Adopted for NCCAA at the steering committee April 2015 and was voted on June 2015 at the Auburn Conference.)*

BE IT RESOLVED, that Alcoholics Anonymous recognizes the special relationship which it enjoys with the Al-Anon Family Groups, a separate but similar fellowship. And be it further resolved that Alcoholics Anonymous wishes to recognize, and hereby does recognize, the great contribution which the Al-Anon Family Groups have made and are making in assisting the families of alcoholics everywhere.

The relationship and the financial arrangements usually follow one of **two** patterns:

When an A.A. convention committee invites Al-Anon to participate with its own program, A.A. may pay all expenses (for meeting rooms, coffee, etc.) and keep all income from registrations, etc., in a single fund used to pay all convention bills, after which any excess income reverts back to A.A.

Alternatively, Al-Anon may have a separate registration and pay its own direct expenses, plus a proportionate share of common expenses of the convention. Al-Anon, in this case, receives its own share of the registration income and also shares in any losses that may be incurred.

Bid Procedures for Conferences

To avoid conflicts with the regularly scheduled meetings of other AA service organizations, the Steering Committee strongly recommends that bids be accepted at **March** Conferences for the **second** weekend of **March** three years hence and at **October** Conferences for the **first** or **second** weekend in **October** three years hence. A Host Committee may not present a bid for a conference while it is hosting the present conference. At the Conference where the bid is presented, NCCAA bid forms must be filled out and any pertinent hotel and convention center information included, and copies must be given to the Chairperson. New conference sites **must be inspected by the Chairperson at least three months before the Conference where the bid is to be presented.**

The following is the ORIGINAL RESOLUTION resulting in the Northern California Council of Alcoholics Anonymous in 1945.

“Resolution of Purpose of Northern California-Nevada Council of A.A.”

Whereas, it is believed that the interest of the work of Alcoholics Anonymous in Northern California and Nevada can be furthered by the creation of a Council which will act as a medium of exchange between member groups for the dissemination of ideas and experiences of mutual interest and to provide whatever services those member groups may deem advisable.

Whereas, membership in the Council will be open to all A.A. groups in Northern California and Nevada who indicate in writing their desire to participate, and that representation in the Council will consist of two representatives from each member group.

Whereas, in conformity with the Principles of A.A. it shall be incumbent upon the Council to provide maximum usefulness with a minimum of organization, and that at no time will the Council take any action that will be mandatory, conflicting or in any way restrictive of the complete freedom of the participating member groups as indicated in points 2 and 4 of the Twelve Points of Tradition of Alcoholics Anonymous which states:

(2) “For our group purpose there is but one ultimate authority - a loving God as he may express Himself in our group conscience.”

(4) “With respect to its own affairs, each A.A. Group should be responsible to no other authority than its own conscience. But, when its plans concern the welfare of neighborhood Groups also, those Groups ought to be consulted. And no Group, regional committee, or individual should ever take action that might greatly affect A.A. as a whole without conferring with the Trustees of The Alcoholic Foundation. On such issues our common welfare is paramount.”

NOW, THEREFORE, BE IT, AND IT IS HEREBY RESOLVED that a Northern California-Nevada Council of Alcoholics Anonymous is hereby created under the terms and conditions heretofore set forth; We all came to A.A. with one objective, to learn how to overcome and control our drinking problem. While there are some “Loners” who find sobriety through A. A., the great majority are unable to attain that which we all seek, without the help of others. Therefore, we have banded together “Groups” and hold Group

meetings. But we also learn that Groups, as isolated units, are often unable to solve problems such as conflicts in personalities, dissension, type and handling of meetings, etc. The solution to these problems is often beyond the abilities of the Group within its own membership. We know that our Group future will be fashioned in accord with today’s unity or discord.

As a result, we take another big step forward. We learn that the solution is in sharing Group Experiences, Strength and Attainments with each other. We can be eternally grateful that there were a few wise members who realized the importance to the individual of intergroup relations and took steps to develop this relationship.

During the year 1945 all the groups in Northern California, about thirty, sent delegates to a meeting in Oakland. This was the first Group Conference in Northern California. Later the Groups in Nevada were invited to participate.

These group delegates found that each Group, through a Group conference, could share their experience, faith and hope with each other, and in this manner were able to solve the common problems which presented themselves in the course of the life and growth of a Group in the Alcoholic fellowship called Alcoholics Anonymous.

We have found no mechanical device through which an A.A. member or group of members can project his individual or collective experience into another member or group of members. Experience is the result of time spent in any

objective endeavor. We can share the result, but we are limited to words to describe to our listener. If he listens with an open mind and believes us when we tell him that the stove is hot, he may avoid the burned hands that left scars, the price we paid for our experience.

With slight retrospection we can clearly see that the Northern California Group Conference of Alcoholics Anonymous is but an enlarged picture of the problems which confront the individual alcoholic in his relation to his own group. Through the exchange of ideas our individual understanding is mutually increased. The success of the individual is measured by the love or dissension he brings to his Group. The Group is but an enlarged picture of the individuals who compose it. The Northern California Council is a further enlargement of the same picture of the Group who participates in this Council.

Individually and collectively

“THERE IS A DESTINY THAT MAKES MEN BROTHERS

NONE GOES HIS WAY ALONE

ALL THAT WE SEND INTO THE LIVES OF OTHERS

COMES BACK AGAIN INTO OUR OWN.”

CONCLUSION

THE SUCCESS OF THE NORTHERN CALIFORNIA COUNCIL OF ALCOHOLICS ANONYMOUS IN FULFILLING ITS PRIMARY PURPOSE OF “CARRYING THE MESSAGE” WILL BE IN DIRECT PROPORTION TO THE ENTHUSIASM AND DEVOTION OF EVERY AA MEMBER, COUNCIL DELEGATE AND COUNTY CHAIRPERSON IN NORTHERN CALIFORNIA. THE COUNCIL BELONGS TO ALL OF US AND WE SHOULD SUPPORT THE COUNCIL IN ALL OF ITS ACTIVITIES. IN THIS MANNER WE CAN AGAIN EXPRESS OUR GRATITUDE FOR THAT WHICH WE HAVE RECEIVED FROM THE FELLOWSHIP OF ALCOHOLICS ANONYMOUS.
