

Hi NCCAA Steering Committee, Modesto Host Committee, Liaisons, and everyone,

There has been quite a bit of NCCAA activity and I wanted to update you on several key items.

Based on current Coronavirus situation, the government response, and discussion with the hotel, we decided to postpone the **Modesto Conference to March 19-21, 2021**. The upcoming planning meetings and pre-conference dinner will also be cancelled and rescheduled. Current thinking is to restart the planning meetings in December or January, February and March.

The next actual NCCAA Conference will be San Jose in September 2020. We will have the Modesto flyers for March 2021 available at that conference as per usual process.

We are rescheduling the next Steering Committee meeting from April to **Sunday May 31st at 1:15** in the usual Stockton Alano Club location (1812 Monte Diablo, Stockton). Please be prepared at the May Steering Committee to submit nominations for NCCAA Chairperson. We need to determine how to have the elections as soon as possible and how to manage in the meantime.

Any questions or concerns, please reach out to me or Mary.

Special thank you to Colleen for getting all this latest info out on our www.norcalaa.org website.

Thank you,
Shaun, NCCAA Chairperson
Mary, NCCAA Treasurer
