Contra Costa Sets Intergroup Meeting Nov. 18

Dr. Hal S., San Diego, will be guest speaker at an Intergroup Meeting slated for 8:30 p.m. Saturday, November 18, at the Cambridge School, 999 Lacy Street, Concord. The school site is just off Monument Boulevard.

Contra Costa Service Center, which aids and abets group expansion, intergroup functions, and general growth programs in the county, has just recently celebrated its first year in business.

The Central Office, 1327 North Main Street, Walnut Creek, has become a very busy place. Staffed by volunteers around-the-clock, the office itself is open from 9:00 a.m. to 5:00 p.m. After hours, the Answering Service monitors all incoming calls throughout the night.

Daily, the staff invites in everyone seeking help for themselves — or others — coffee, "arms-length" AA, free literature and friendship.

Every third Saturday of each month, an Intergroup Meeting, featuring a good speaker, which is hosted by a different group each month. Contributions from such meetings are devoted to the Central Office for rent, telephone, and literature.

Contra Costa invites visitors to attend its next Intergroup Meeting, Saturday, November 18.

Those in attendance at the October 14 ALL GROUPS MEETING were treated to one of the most whimsical and delightful talks — but a message packed with thought-provoking punch. Dan B., San Rafael, spoke from the heart, but the serious trend of thought was leavened by his easy, relaxed manner of putting his message across.

H & I BROAD-SIDES

By George R., general chairman,

Northern California Hospital & Institution Committee

I am among the many members of A.A. who thoroughly enjoy going to conferences, meeting new people, renewing old friendships and participating in a lot of good A.A. The conference in Fresno October 7 and 8, 1967 was among the better ones.

The speakers were excellent, the hospitality and friendliness of our Fresno friends was outstanding, but as usual my primary interest was in the Hospital and Institution meetings and getting better acquainted with our colleagues in Area 9.

They are doing an excellent job carrying the message to the still suffering alcoholic in the various institutions and hospitals in this area. Special thanks to Bob D., retiring Area Chairman for a job well done, and congratulations to John T., the newly elected Area 9 Chairman.

As usual, the first H and I meeting was an informal "bull session" at our motel after the kick off meeting at the Hotel California, Friday night. Many H and I members and their sponsors had reservations at the same motel and, as you might guess, the "bull session" continued past midnight. Two of our L.A. friends Tom T. and his wife Dorothy expressed their views on L.A. H and I work (mostly by Tom).

Saturday morning our open H and I meeting was held in the Wine Room with Bob S. Area V Chairman acting as M.C. Bob, on short notice substituted for Pres S., South Coastal Regional Chairman, who was recovering from an arm operation. Bob, as usual, did an excellent job.

Our non-alcoholic speaker, Dave Foote, Investigator of the Stanislaus sheriff's department gave an excellent presentation of the functions of his office and the various programs they are attempting to carry out. It is rewarding to know that we have friends like Dave in the law enforcement field.

Virginia S. from San Jose, our alcoholic speaker followed Dave to the podium. Her experiences, her introduction and participation in the A.A. program and into H and I work was outstanding. Virginia certainly had a wonderful message for all of us and does an excellent job in H and I work. Many thanks again to Bob S., Virginia S., and Dave Foote.

This must have been an interesting meeting as the question and answer session continued for another hour.

Sunday we held our regular H and I workshops. Gen R., our energetic secretary from San Pablo chaired the Hospital session and Bud C., our busy Co-Chairman for Institutions chaired the Institution meeting. As usual, both of these individuals did an excellent job. Many questions were raised and a very lively and informative meeting resulted.

I believe meetings of this type are excellent since many problems are discussed, many viewpoints presented, and a better understanding among all of us exists. In H and I work, as in most every other part of our lives, communication is a very vital factor.

In this area I seriously hope that any question or problem is brought up and I am sure, with all of us working together, we can come up with an answer. The Fresno Conference was quite a weekend.

Best wishes for a speedy recovery to Elmer B., of Olivehurst, in Area Four who recently suffered a heart attack. Elmer has devoted many years to H and I work.

A Needed New Group

S.F. YOUNG PEOPLE'S GROUP

A new San Francisco AA unit — the Young People's Group — meets for the first time Saturday, November 4, at 8:00 p.m. in the Library of Grace Cathedral, (enter through parking lot on Sacramento St.) Taylor and California Street, atop Nob Hill, San Francisco.

KICKOFF MEETING ON NOVEMBER 4 WILL BE HIGHLIGHTED BY GUEST SPEAKER BARBARA I.

SECOND MEETING ON NOVEMBER 11 — SPEAKER IS LEO McM.

In announcing the formation of the new group, Jim G., secretary, said the motivating factors were:

(1) To meet the particular needs of San Francisco's young AA members.

(2) By developing a new format which appeals to young AA's.

He said S.F. Young People will hold 100-minute meetings featured

"solid AA speakers" invited from the general AA membership to which all AA members are cordially invited.

The following paragraphs are from FACTS — AIMS — PURPOSES of Young People's Groups in AA:

The "Young People's Groups in A.A." practice the 12 suggested steps and follow the 12 Traditions of A.A. at all their meetings and conferences.

The "Young People's Groups in A.A." are a part of A.A. and not a separate organization apart from A.A.

The primary purpose of the members of the "Young People's Group in A.A.", is to stay sober and to help other people achieve sobriety.

The average age of a member of a young peoples group is a person in their twenties or thirties and occasionally you will find a teen-ager among the group.

THE FRESNO STORY

A Backward Look By An Observer

(By Rollin W., Business Manager, GOOD NEWS)

Complimentary stories have been written after most Northern California Conferences, but none deserves more plaudits than the Fresno Conference of October 7-8. Starting with the "kickoff meeting" Friday night at the California Hotel, all speakers — at all the meetings — were really outstanding, right up to the closing session that adjourned the Conference on Sunday afternoon.

Some 1,000 members and friends gathered at the Saturday Night Open Public Meeting to hear Ben W., Los Angeles, deliver an interesting, and often amusing talk concerning his difficulties, but ultimate success in mastering his problem the AA way.

Most remained until the final session Sunday afternoon when Mary R., Encino, made an impassioned address about her struggles, trials, and tribulations, and finally "learning sobriety" with the AA program.

Incidentally, Exhibit Hall, where most Conference activities took place, is a new, magnificent structure — built since AA had a Conference some years ago — is highly complimentary to the City of Fresno and its forward looking citizens and city government officials. And that certainly embraces Mayor Floyd H. Hyde who made a warm Welcoming Speech that made us all feel at home in the Raisin Metropolis.

Over 100 people heard Ralph C. and Annette F., both of Fresno make two fine talks at the Friday night kick-off meeting.

D. G. Foote, Investigator, Sheriff's Department, Stanislaus County, gave a most interesting talk

as Guest Speaker for the Hospitals & Institutions Committee meeting Saturday morning at 10:30.

Bea B., now of Carson City, Nevada, (formerly Watsonville) made what many members considered the finest General Service talk they ever heard at a conference. She spoke at the General Service meeting on Saturday, 1:00 p.m.

Both Alanon and Alateen groups held some very interesting meetings, particularly the 10:30 a.m. Sunday Morning combined open meeting on "Acceptance" when Jim M., AA; John W., Alanon; and Paulette Q., Alateen, all spoke with fine effect.

A group of about 125 members gathered at the Hotel Californian for a no-host dinner Saturday Night at six. Another dinner hosted the guest speakers from the Southland.

Dancing to the music of the Dry Notes and an AA meeting with Art D., Fremont as speaker (and VERY well attended) followed the Saturday Night open meeting.

The refreshments, and arrangements generally, were real fine, and the Fresno Committee, and Chairman Max McD., deserve

LETTERS TO THE EDITOR

Editor,
GOOD NEWS

Dear Bill:

I have been reading someone else's copy of GOOD NEWS for several years and think it is time for me to have a personal copy. I'm enclosing \$2.40 for a 2 year subscription.

Your publication is excellent and many items are worthy of the attention of all AA members. The greatest item of all was, I believe, the last written words from Jack Irving.

More recently, in the March 1967 issue, the article "Regarding the Third Legacy" by Dewey S., San Mateo, was outstanding.

Keep up the good work.

Sincerely,

Eric B.

Seattle, Wash.
