Chairperson's Report:

- Upcoming Modesto conference planning going well.
- New Officers have met a couple of times – working on new roles and learning responsibilities.

- Interior Secretary attended CNIA Post Assembly Area meeting, upcoming Unity Day in San Mateo, Coastal Secretary will attend.
- Focus on Outreach for Modesto, finding areas to bid on March and Fall 2023.

Continued Business:

Future Conferences: We do not have any conferences planned post Modesto:

We currently need areas to bid for upcoming conferences. Some thoughts:

Spring 2023

- Sacramento is not a good fit because of Spring Fling
- Foster City
- Concord

Fall 2023

- Rocklin

New Business:

Additional merchandise for Sound Solutions:

Thoughts: AA only merchandise

Nothing on table is conference approved; it is all AA related; very important to protect Alcoholics Anonymous

Future Conference Bids:

Currently – no future conferences scheduled. In the past, this area was populated for the next 2 – 3 years. The situation is critical.

Any comments, questions or blessings:

The next NCCAA Steering Committee Meeting is scheduled at the Modesto Conference – Saturday October 8, 2022 at 8:00 a.m.

**Please get involved! We need active AA's if NCCAA is going to survive and thrive!
Lots of opportunities for service!!
