Chairperson's Report:

The Fresno Host Committee has done a fantastic job preparing for the Conference. We tested a new approach with Fresno committing to raising enough funds pre-Conference to help offset the increased facility costs. Fresno Committee did a great job. We recognize not every area will be able to do this, but it's now been tried and tested and worked very well.

We conducted a workshop in Manteca on Sept. 24th to address NCCAA Structure and Future Conferences. Are you willing to get involved? Let us know. We need your involvement.

Upcoming Conference San Jose March 15 – 17 – it will be super fun. Register today! Today we will hold the election for the NCCAA Treasurer. Reminder – the Chairperson role is up for election at the San Jose Spring Conference. If you are interested, there is a description online norcalaa.org or in the PSF Handbook and please see me to chat about it.
