Monterey Groups Hear Chuck Talk

At a Monterey Bay Inter-Group meeting held in Santa Cruz, some 400 AA members and their friends recently gathered at the High Street church to hear an inspired message delivered by Chuck C., Laguna Beach.

Chuck doesn't dwell too much on the so-called "fringes" of AA. He gets down to bed-rock; the hard facts of AA principles.

He left the Inter-Group meeting with much thought-provoking facts.

He said there is no doubt that AA is a good way of life; that the good is there for everyone if they are willing to fulfill the simple conditions of sobriety as outlined in the AA program.

Worth remembering was this thought:

Our founding fathers in setting down the program, did not say, "the Steps we read" or "the Steps we memorized" or "the Steps we discussed", or "the Steps we interpreted" but, "these are the Steps WE TOOK which lead us to sobriety and happiness."

Perhaps the most pointed message Chuck left was not spoken. It struck the minds of many in attendance that here was a man, who after 17 years on the program, still finds it necessary to remain active and share his experience.

To be at the Monterey Inter-Group Meeting on Saturday night, Chuck flew in from Los Angeles. Immediately the meeting closed, he flew back to Los Angeles to be on hand for another session taking place at 11:00 a.m. Sunday.

Walter Fennell Dies

Alanon group representatives and committeemen are requested to be present on election day to cast votes, Ann O., temporary chairman, said.

Frank F. Home From Hospital

By BEA R., Salinas-Monterey Reporter

A lot of guys and gals in the Monterey Bay area are happier, lately.

They're feeling more humble but more secure in the power of God because a little bald-headed guy with a big smile is back with us again.

Battered physically by surgery and rugged treatments, he is, perhaps a little frightened at the prospect ahead. More treatments, more pain, lengthy convalescence.

Great Smile

But nothing in his attitude expresses anything but hope and gratitude to his God for the days he has been given. His bright eyes and great smile are an inspiration to all of us.

Let me say it was an experience to be present at the meeting in Salinas when he walked in for the first time since his ordeal. He had been in Stanford Hospital for the past two months.

Power of Faith

It was with profound pleasure that we heard the few words he was able to speak—with much effort. Each word was an expression of love for the Fellowship we share.

Words don't express the happiness in having Frank back with us. And, I express the thoughts of many in saying, "If Hope, Faith, Prayer, and Love have power, and we know they do, Frank will soon be his vital self."

General Service Sessions at NCC

By CLIFF J.

Chairman, Interior Panel Two GSO

Our area, Interior Panel Two feels and demonstrates constant growth of AA, in general. The meeting held in Newman Hall, Sacramento, early in September featuring Hazel R., GSO staff member from New York, seems to emphasize this point. At this meeting a capacity crowd of 300 attended. Fine cooperation from our Central California Fellowship office greatly helped to make it a success.

N. Y. Delegate

Thoughts now turn to our NCC Fall Conference in Berkeley, October 19-20. Along with other outstanding events, we know our General Service program will be something special.

Our Committee feels a certain modicum of justifiable pride in having Everett K., Seattle, as our guest and principal speaker at the Saturday (October 19) session, starting at 1:00 p.m. Everett is the current New York delegate from Washington State.

Panel "Must"

In November a Bi-Annual Assembly Meeting will be held by Interior Panel Two, to which all members are urgently requested to attend. Feature of the session will be the election of a new slate of GSO officers for the ensuing two-year period.

At this election, a new Chairman-Delegate, a new Alternate-Secretary, and a new Treasurer, are the first elective objectives. At a later, and equally important election taking place in January, '64, District Committeemen will be selected.

We'd like to have as close to 100 percent representation at this Panel Two, General Service Assembly, in November, as is humanly possible.

But, first, I'll see you in Berkeley.

Stag Luncheon Group

Normandie Lane in the City of Paris Department Store, San Francisco, is the meeting place of the Stag Luncheon Group. It meets every Friday from 11:30 a.m. to 1:00 p.m.

Detroit Unifies Sentral Offices

Former offices known as Inter-Group Office and Central Office have merged into what will henceforth be known as the "AA Metropolitan Office". This action now unifies Detroit into one AA office.

First meeting of the merged offices took place September 9. Each group had their representatives at the session from which six Administrative Members were selected to serve on the AA Metropolitan Administrative Committee.

Moment of Silence For Robert Flippin

A gentle, thoughtful note climaxed a talk made by Dr. David G. Schmidt chief psychiatrist, San Quentin Prison, at a Central All-Groups meeting held Friday, September 27, at 240 Golden Gate Avenue, San Francisco.

At the conclusion of his speech, Dr. Schmidt asked his audience to join with him in a Moment of Silence in memory of the late Robert B. Flippin.

H&I BROAD-SIDES

By **WALTER McC., Chairman,**
Hospital and Institutions Committee, NCC

Much has been written and much more will be written about Robert Browning "Bob" Flippin but we, in H & I, know that any eulogy would be inadequate. Here, we would like to present a letter that is simple and straight-forward. We sincerely believe this letter just about tells the story for the people on the "outside" as well as those "inside". Yes, to take the trouble to know Bob Flippin was to love him.

Warden F. R. Dickson,
Administration Building,
Dear Warden Dickson:

Ref: Mr. Robert B. Flippin, deceased

On Saturday, August 31, 1963, this institution, myself, and many many other people in California, Hawaii, and all over the U.S.A. lost a dear friend and a great man. This may be unusual procedure for an inmate to feel this way towards a state employee but he was not just an employee to many many inmates. I knew Mr. Flippin since 1948 and he tried to help me many many times. This term he did more than help me, he has shown me a way of life each 24 hours through and with Alcoholics Anonymous. You see, Sir, he is in reality my first AA sponsor and friend.

I had the privilege of seeing him personally on his last day at S. Q. in June when he interviewed me for my July board. He also autographed my Alcoholics Anonymous book and I am proud to say he wrote as follows, "Best Wishes to my AA friend". I would like to ask if you could possibly offer my sympathy and condolences to his family and loved ones, for although I am only an inmate and one among thousands, I am not one bit ashamed to say he was my dear friend.

He may be gone physically from this earth but he shall always be with me in my heart, and because of Bob Flippin I have a chance to live again as a man and I know I can't fail, for he would haunt me to my grave, I assure you. I know that he has personally saved many others like myself, who by all appearances and according to records were considered hopeless. I hope you knew Mr. Flippin too and understand he can never be replaced."

Thank you,
Respectfully,
Don Decker

A joint area committee meeting of General Service Panel Two, composed of Districts 50, 51, and 52, was held Sunday, September 8, at 1:30 p.m. in the Rite Spot Cafe, Redding, Calif.

The first session of its kind to be held in the Northern District of Panel Two, the gathering was successful beyond expectations, both in interest and enthusiasm.

The following Committeemen and General Service Representatives attended:

Pat S., Paradise, served as chairman of the session. From District 52, these General Service Representatives were on hand: Pat D., Chico Friday Nite Group; Jack M., Chico Monday Night Beginners' Group; Jim C., Chico Wednesday Night Group. Oscar, Chico Sunday Group, and Vern, Gridley Group.

From District 50: Rickey S., Redding Committeeman, and Chris C., Redding Group; Art S., Dunsmuir; and Bob B., Mount Shasta.

Various General Service and group problems were discussed by Area Committeemen and General Service Representatives. Emphasis was placed on ways and means to generate more interest in members and groups in the work being done by General Service.

Out of the meeting came a proposal to initiate regular once-a-month Inter-Group meetings with groups alternating as hosts.

Most of the members were accompanied by their wives who attended lunch and later remained for dinner. The gathering was voted a pleasant and informative AA afternoon.

Watsonville To Hold Small-type Speaker Meets

Commencing Friday, October 13, the combined groups of Watsonville will host what they hope to be, the first of a long series of small-type speaker meetings at their regular meeting hall, 1221 Lincoln Street, Watsonville, Calif.

Watsonville has given much consideration to a plan to hold speaker-meetings on the second Friday of each month, using speakers from the Monterey Bay area and the immediately adjacent communities.

It has been the feeling in the area that some excellent speakers with forceful messages are "going to waste" largely because they have not had the opportunity to make an AA pitch as "guest speakers."

It is also felt that many members, yet to make their "maiden" talk will gain the confidence they feel they need; to express themselves in a relaxed and purposeful manner.

Salinas has conducted this type of meeting for a long time at their Sunday morning meetings. It is Watsonville's hope that the idea will gain in momentum throughout the area.

The October 13 meeting, and those that follow, will be "open". For its initial session, a pot-luck get-together will start at 7 pm followed by the regular AA meeting at 8:30 p.m.

Visitors are welcome to attend but it is suggested that they bring their own "pot-luck".

THE "MYSTERY" OF H & I

By **WALTER McC.**, General Chairman
H & I Committee, NCC

Talking to an AA member the other evening after the group meeting, the subject got around to "How does one become active in H&I work?" It seems this member had put his name on an H & I volunteer list, but no one had ever invited him to an H & I meeting. Being a typical sensitive alcoholic, he decided H & I was a closed corporation, and if the right people weren't known, you just didn't participate in H & I work.

Since becoming General Chairman, Bud (former General Chairman) and Harriett (Co-Chairman for Hospitals), tells me this is the phantom story of H & I Work.

Another question often asked by a newcomer—and some of the older members, too: What does H & I stand for and what is its purpose?

JAILBIRDS KNOW

In the beginning, I didn't give these two questions much thought, because, as in the case of many members with longevity on the Program, we think everyone knows what the Hospital and Institution function is all about, not realizing that a great majority of the members of our Fellowship have never been hospitalized or jailed for alcoholism.

An AA member's primary purpose is to "carry the message" and being willing to go to any length in this endeavor. We in H & I work carry the message, too. Some fifty hospitals and institutions from Fresno, north to Eureka are serviced at least once a week.

USELESS LIP SERVICE

Looking at the overall picture of the efforts of the Contact Chairmen of the many hospitals and institutions, whose duties include inviting at least three speakers for each meeting, reminds me of the telephone answering service in our local area. A 12th Step Call comes in and the person has to call everyone in town and practically beg a member to make the call. Then at a meeting you hear someone say, "I signed up for 12th-Step Work, but no one ever calls me.

So through this column in the GOOD NEWS, the Hospital and Institution Committee is making an effort to call you to become active in H&I work. Your assistance is needed. If you knock at our door, be assured that you will be warmly greeted. There is room for evryone.

Emissary Showing Two "Spectaculars"

Billed as a pair of "spectaculars", The Emissary Club, 430 Haight Street, San Francisco, is rehearsing for a "chiller" replete with ghosts, seance, thrills 'n chills, magic mirth and mystery for a opus that will run for 2 days, Thursday and Friday, October 31, and November 1. Donation is \$1.00 which includes prizes, goodies, and fortune telling.

New Year's Eve (if anyone wants to think that far ahead) a "Coffee Carnival" is slated. Admission to this extravaganza is free. GOOD NEWS will carry more details about this show in a subsequent edition.

Alanon Club Sets October Socials
